Remarks

Under Construction. Imagine waking up to the soft sound of waves, stepping onto your private terrace, and feeling the soothing Gulf breeze as the sun rises. This is the Siesta Key lifestyle—a rare blend of barefoot luxury, tranquility, and world-class beauty. Property adjacent is available for sale as well. Making it possible for a beautiful estate and privacy. Set to be completed by Summer 2025, this newly constructed Gulf-front estate is poised on 90 feet of Siesta Key's pristine shoreline, offering direct access to what was just named the #1 beach in America and the #4 beach in the world by TripAdvisor. Known for its powder-soft quartz sand, mesmerizing turquoise waters, and breathtaking sunsets, Siesta Key is the ultimate destination for those seeking a sophisticated yet laid-back coastal retreat. The five-bedroom, five-bathroom residence is thoughtfully designed to embrace the indoor-outdoor lifestyle that makes Siesta Key so iconic. Expansive floor-to-ceiling windows frame uninterrupted Gulf views, while open-concept living spaces seamlessly flow onto an expansive terrace, creating the perfect setting for sunset cocktails, alfresco dining, and effortless entertaining. Built by Murray Homes, known for quality and award winning design, the attention to detail is seen in every area.
